

J. Percy Page

2013-2014

Home Of The Panthers

Farewell Mr. Riar

It has been 9 school years since I began as an Assistant Principal at J. Percy Page. It has been a great ride. I have had the pleasure to work with a great staff, who truly care about the students. We never truly know what we have until we leave, and this is the part that scares me.

For the students of J. Percy Page, remember that you have been given a gift, the gift of knowledge. Some of it came in book form, but most of it comes from people who are before you each and every day. For the Grade 10s, it is time to make sure that you are set to move in the direction that you choose. Get involved in your school and community. No more sitting on the sidelines, get off the bleachers and get involved. Be the architect of your own destiny.

Grade 11s, it is now time. The expectations for your Grade 12 year will be high. You can accomplish everything that you wish. It is not about you, but about your community. It is time to stand together and build a legacy that makes you and others proud of being a Panther. I have faith in you all.

For the Grads of 2014, you are done. I am proud to be walking out of the building at the same time as you. You have made us proud. We will remember the Bike-A-Thons, Touch of Class, BBQ, Athletic Events, and many other activities. I will remember visiting your classes and sharing in your learning. I had fun and I am better because of you. Take care of each other.

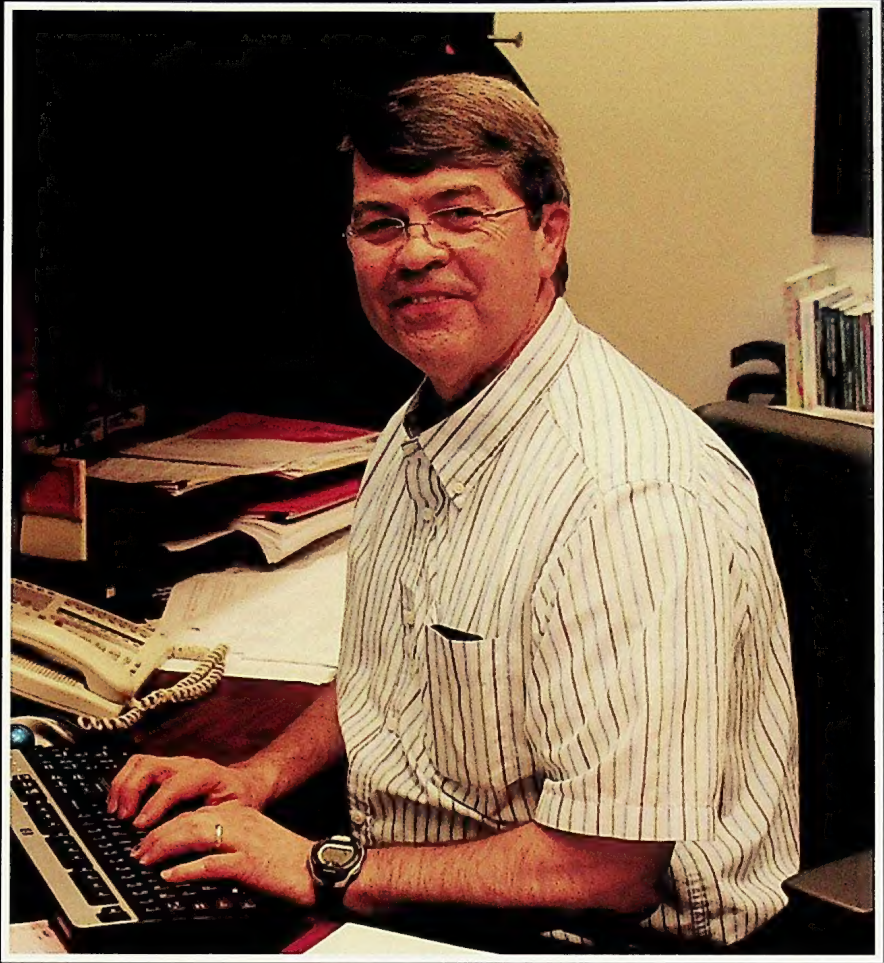

I leave you all with this; be kind to each other, forgive and forget all the differences and become the Mill Woods Heroes that I know you are. Panther Pride.

-Narindar Riar, Assistant Principal

Mr. Olsen Principal

J. Percy Page Yearbook
students catch up with
Principal Olsen for a
quick interview...

Q: What was the most exciting experience that you have had this year?

A: Participating in the Bike-A-Thon and Helping Hampers have been memorable for me because of the community service that was given so generously. The Athletics Banquet was also a highlight. We have great students!

Q: What do you think that the students achieved this year that hasn't been achieved in the past?

A: There has been a really positive attitude among the students and they have supported school events with enthusiasm in greater numbers than ever before. The Bike-A-Thon is an example! The year-end barbeque was a highlight of school spirit, kindness, cooperation and culture!

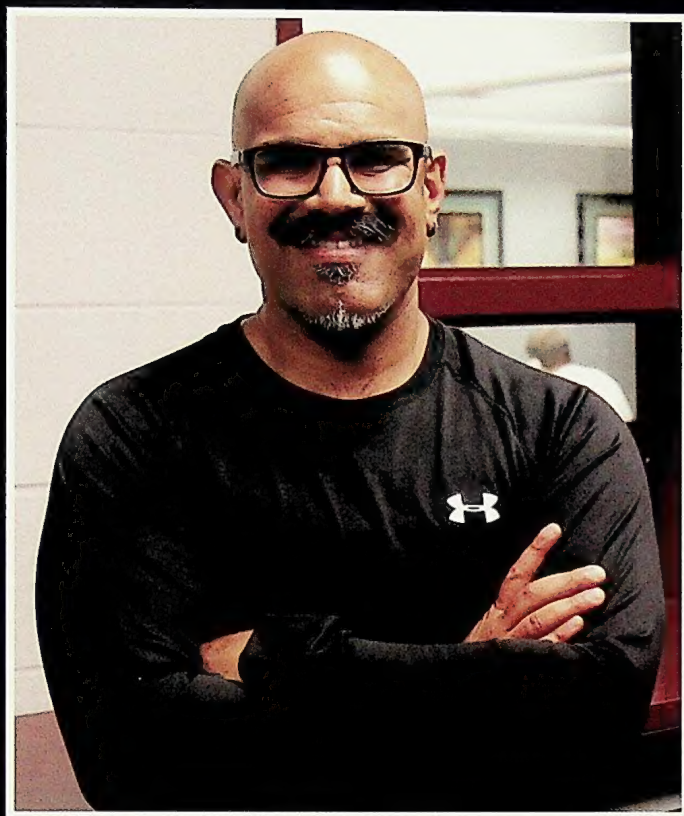

Q: If you could change one thing this year to make the coming year great, what would it be?

A: I want to learn more student names. As I meet the students in class, at school events and in the hallways, I feel that being able to use their name will help me demonstrate the welcoming atmosphere I feel at Page.

Q: What message would you like to send to the graduating class of 2014:

A: "Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness that most frightens us. And as we let our own light shine, we unconsciously give other people permission to do the same." Be the lighthouse for others in life's storms!

Mr. Chaudry, AP

This yearbook is the real deal. It is going to be that keepsake you look back at and remind yourself of the "good old days" of high school. The digital age, forget it! Having a hard copy of your memories is where it was at in 1992 (when I graduated) and will still be in 2025! (I hope)

All kidding aside, what is amazing about the 2013-2014 school year is that you were here as part of it. This year will be remembered differently for every one of us, but those memories will be special and part of who we are forever. Thank you for choosing J. Percy Page and being a part of our community. What amazing accomplishments and achievements you were a part of. Bike-A-Thon, One Page Many Worlds, Helping Hampers, Habitat for Humanity, all the athletics including handball provincial finalists, Touch of Class, Eid Celebrations, Diwali, Advanced Placement, Year End BBQ, and the list could definitely go on..what a great year!

For the Class of 2014, I wish you well and all the best in the future. It is time to reflect on the last three years of your life and prepare for the excitement that is in store for you. The future is totally unwritten and will be shaped by the excellent decisions you will make from here on.

Best of wishes to all of you. Panther Pride!

-Naveed Chaudhry

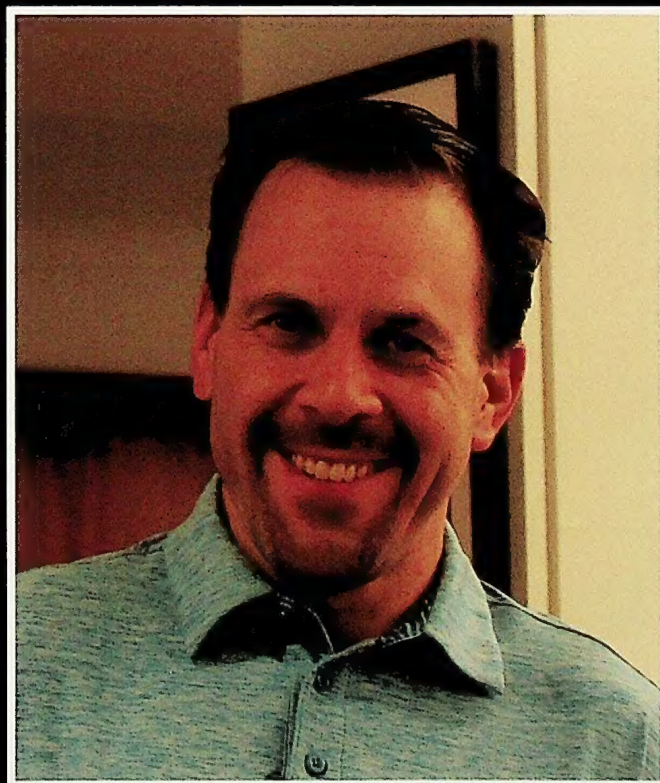

I'm finishing my 2nd year as Assistant Principal at Page and have truly enjoyed my time here so far. It is an open, bright, and welcoming building filled with school spirit and it has been a real pleasure working with the wonderful students and staff on a daily basis.

I have spent a total of 22 years working in Edmonton high schools, starting with 12 years at Queen Elizabeth, then 8 years at Centre High Campus before arriving at Page in the fall of 2012. Regardless of the school or role I have been in, my approach to working with students has always been to believe in the potential of every student. Not every student learns in the same way or at the same rate and I've always felt that with the right amount of information, guidance, and support, each student can achieve their goals and successfully move on to the next stage of their life. Some students have their entire high school plan and beyond figured out when they walk into Grade 10, while the rest take a little (or sometimes a lot) longer. The challenging, yet most rewarding part of being an educator, is determining where each student is at in their journey and coming up with a plan to help them take that next step. Seeing students achieve their goals; whether it be completing a project, getting a part-time job, making a school sports team, acing a test, getting accepted to post-secondary, or walking the stage at the end of Grade 12; this is what makes our job so special.

Congratulations on a great year at Page. To the Grade 12s, best of luck in your future plans. Come back and see us next year if you get a chance to let us know how things are going for you. To the Grade 10s and 11s, have a fantastic summer, be safe, and we will see you next year.

you know what's scarier? Regret.
Because your life is limited, why
waste it living someone else's.
Don't let the noise of others drown
out your inner voice.

Simrit Grewal

Don't ever let somebody tell
you...you can't do something. You
got a dream...you gotta protect it.
People can't do something
themselves, they want to tell you,
you can't do it. If you want
something, go get it!
